Signature of the admin

³ I have informed the applicant/client about the following:

- instead of presenting a document, a personal statement may be made if the document cannot be obtained from abroad according to a written statement issued by the central registry office. Before making the declaration, the central office may request the resolution of the Minister responsible for foreign policy or the foreign mission of the issuing state accredited to Hungary.
- the assertion of a factual fact relevant to the case, or the omission of the fact relevant to the decision of the case, or the provision of false information may result in the imposition of a procedural fine,
- making a false public document, falsifying the content of a public document, using a false or forged public document, or a document addressed to someone else, or contributing to the registration of a false information, fact or statement concerning the existence, alteration or termination of the law or obligation shall constitute as forgery of a public document, or the use of a false, forged or false private document to prove the existence, alteration or termination of the law or obligation shall constitute as forgery of a public document.
